SALES PLAN

JPY

In a market full of volatile and limited added value coins, Moneta promises Access to your Money Anytime, Anywhere. Moneta, a cryptocurrency with a new transactional financial ecosystem with international banking, custodial services, and multiple financial instruments to make Moneta your everyday transactional digital currency. Built on Stabila blockchain to ensure scalability and fraud-free experience. Moneta holders will be able to carry out international transactions and merchant payments, in an online and secure way, with a mobile and digital platform in the palm of their hands. Moneta will provide a global and competitive money transfer system with the ability to exchange fiat for crypto and vice versa.

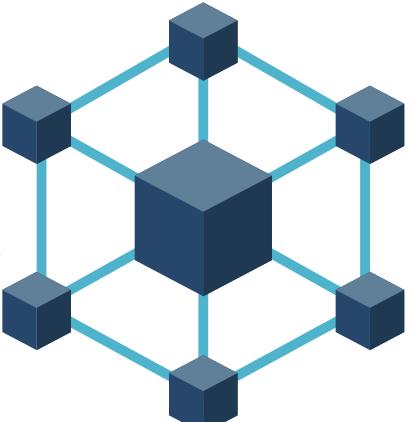

ABOUT JPYM TOKEN
